

Criterion - IV:

4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Maintenance of Infrastructure: There are well established systems and procedures for Maintaining and utilizing physical, academic and support facilities such as Laboratory, Library, Sports Complex, Computers and Classrooms. The institution follows a certain procedure for maintaining and utilizing all facilities. A tentative amount is kept for maintenance of the physical and other facilities every year. The state of condition of infrastructure is checked out and is informed to the management. The management undertakes the repairs and completes it before beginning of Monsoon. As per the Government of Maharashtra Resolution our college has constituted rules our college formed C.D.C. (College Development Committee) to take proper decision and implement them for the betterment of the college and for the welfare of the students.

Laboratories: There are 8 laboratories and its maintenance is done by the management. Equipments of science laboratories are cleaned and sterilized to make them dust free and hygienic. Mechanical parts are oiled for smooth operation. Repairing of the equipments is done periodically. When instruments are not in use, they are kept in cupboard properly. Peons clean labs regularly. We purchase necessary equipments as per the need. Power backup is provided to the labs by UPS so that they can be used optimally.

Library: With regard to maintaining library, the Librarian invites book demands from all Heads of the Departments and accordingly order is placed after scrutiny of the list. The books which arrive in the library are accessed through bar coding and numbering system. Our library is computerized. Monthly cleaning of the books and racks with vacuum cleaner is done. Old books are maintained and preserved properly. Library provides open accesses for teachers and students. Study room is kept open from 8.00 a.m. to 6.00 p.m. e-journals are provided through INFLIBNET. Fire safety unit is installed. Stock verification is done after every two years. The library is using 'Biyani' software and provides free internet facility to users. However, due to lack of funds this year the library purchased books of Rs. 64239 only.

Sports Complex: Sports section is maintained by the Director of Physical Education. Gymkhana committee helps the Physical Director to conduct sports events and maintain the sports complex. The sports material is kept safe in the custody of the Director of Physical Education. Under his supervision, the students make optimum use of sports material and equipments. College has a GYM with fifty-five stations and open GYM with thirteen stations established from the funds of the M.L.A. It is very useful to students as well as to the villagers. With the permission of the Principal the playground of college is used for local cricket matches and various block level sports

competitions. The ground is also useful to the local villagers for morning walk. The GYMs and playground are well maintained and optimally used by the students and other stakeholders.

Computers: The institution has enough number of computers with recent and updated software. The Annual Maintenance Scheme is given to Shivam Computers. It offers free service to all computer peripherals which are under guarantee and are repaired. The maintenance of computer system is done regularly as per requirement and major work is done during vacation. Power backup is provided to computer system to use them optimally.

Classrooms: All classrooms are maintained properly. Classrooms are allotted to peons for daily cleaning. Broken desks are repaired and damaged desks are replaced by new ones. The maintenance charges are borne by the Management.
